

The Way to Born Again

1. Man must live in God (the principle of creation)

- 1) Because man is created in the glorious image of God, by receiving the breath of God's Spirit <Ge 1:27>
- 2) Because man is created to glorify God, rule over all things, and bless all things <Ge 1:28>
- 3) Therefore, man can only receive eternal life and a happy and blissful living if he lives in God.

2. However, man departs from God (fundamental problem)

- 1) Because Satan deceived man, causing him to doubt "God's Word" and instead believe in his words <Jn 8:44>
- 2) Man sinned; judgment, curses, death came upon him <Ro 3:23>
- 3) Man lost God's Word and Holy Spirit's conviction, became flesh, and lived only for the flesh and the world <Ge 3:1-7>

3. As a result, all sorts of problems come upon those who depart from God (the more one strives, the more the problems)

- 1) At the same time man departs from God, he was bound by sins, death and Satan's forces, wholly living under the "law of curses" <Eph 2:1-3>
- 2) He loses every knowledge concerning God, creates religions and worships all kinds of visible and invisible idols, is in communion with demons <1Co 10:20>
- 3) Always wearied and burdened spiritually and mentally, constantly living in a state of unrest, fear, and anxiety <Mt 11:28>
- 4) The physical body is also frequently intruded by all kinds of illness, gradually wastes away and loses strength <Ge 3:16-19>
- 5) Death will come as destined, and judgement is inevitable after death <Heb 9:27>
- 6) All these curses of spiritual heritage will be left to one's beloved offspring <Ex 20:4-5>

4. God prepares the only way (Jesus Christ) for His own children

- 1) The striving of man while having lost "the Word of God" and "Holy Spirit" not only cannot resolve problems, but immerse into more serious problems (man's knowledge, benevolence, religions) <Col 2:8; Acts 4:12>
- 2) Man can only be freed by crushing Satan's authority <1Jn 3:8> Great King
- 3) Only eliminating the problem of sin will man be freed from the law of judgement, curses, death and Satan <Ro 8:1-2> Great Priest
- 4) Man can only know God through revelation from His Word and the return of His Spirit once again <Jn 14:6> Great Prophet
- 5) God through Jesus Christ reveals all His mysteries to us, and through His death, resolved the problem of our sins, together with all the problems brought by sins. And through His resurrection, crush the forces of Satan and death, opening a new and living way for us.

5. The blessings God prepares for His own children (the promises in Jesus Christ)

- 1) All those who have the chance to hear the gospel of Christ and could believe it, are chosen by God, and are children borne by God <Eph 1:4-14>
- 2) God through “His Word”, “promises in Christ”, and “Holy Spirit’s conviction” lead His children’s lives and living eternally <Jn 14:16-26>
- 3) By praying in all occasions, will be able to converse with God, discover His perfect will and plan, as well as receiving power and answered prayers <Jn 15:7; Php 4:4-7>
- 4) Can triumph exceedingly in any problem by relying on Christ’s authority and angels’ help <Lk 10:19; Jn 16:33>
- 5) Testify about Christ’s gospel, bless people, establish the kingdom of God, and receive the eternal crown (inheritance) in time to come <Mt 28:18-20>

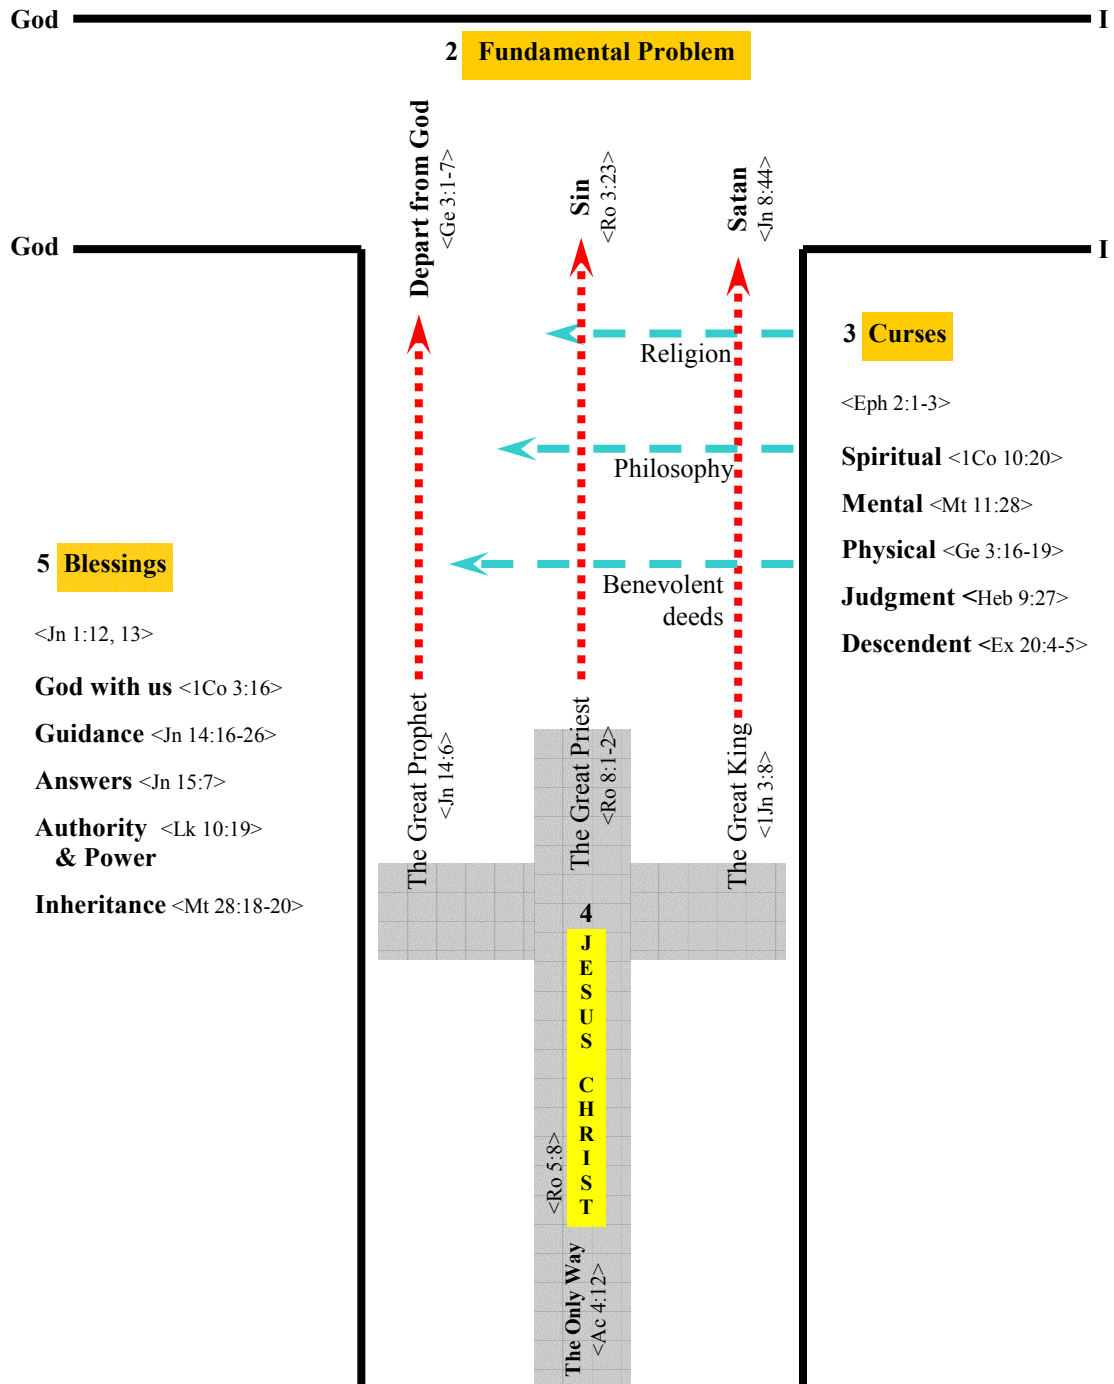

✠ *At this moment, God brings the gospel of Jesus Christ to look for you.*

Are you willing to repent from all the sins you have committed before knowing God, use the blood which Jesus Christ shed for you to cleanse your life, accept God’s Word and Holy Spirit, become God’s child, enjoy eternal life, power and blessings?
